Dear Michael

THREE KINGS QUARRY, CESSATION OF SETTLEMENT

We have received your letters dated 29 August 2005 and 6 September 2005 informing the ARC that there has been a "Cessation of Settlement" as defined in consent no: 12977. The ARC agree with this position.

Accordingly, as the last survey of all precise level benchmarks was undertaken in March 2005, the next precise level survey should be undertaken in March 2006.

As required by Condition 12, should dewatering recommence, then precise level surveys will revert to that set out in Condition 12.

Yours Sincerely

Alastair Smaill
